PARENT INFORMATION

<u>PART A</u>

Hi. I am (FIRST AND LAST NAME OF INTERVIEWER) at The University of North Carolina at Chapel Hill. The University is doing a national study of adolescents and their families. GO TO PART B

Your telephone number was randomly selected from all telephone numbers in the United States, and you and (NAME PERSON CIRCLED IN TABLE 1 OF **SCREEN**; IF NAME UNKNOWN SPECIFY AGE AND SEX OF PERSON CIRCLED IN TABLE 1 OF **SCREEN**) have been identified as eligible for our study. Most people agree that alcohol and tobacco use by adolescents is one of the major problems facing families today. We are evaluating a program designed to help families keep their adolescents from using these harmful substances. May I explain the study to you?

O YES NOW: CONTINUE AT PART C

O NO NEVER Could you tell me why you don't want me to explain the study? RECORD REASONS THEN: Thank you very much for your time. TERMINATE

TERMINATE: You'll be called back later. Thanks a lot for your time.

O NO: Okay. You will be called later. Thanks a lot for your time. TERMINATE

O PARENT FULL NAME KNOWN: PRINT FIRST AND LAST NAME ON LINE.

_____

TERMINATE: You'll be called back later. Thanks a lot for your time.

We would like to interview you and your adolescent on the telephone. It should take less than 15 minutes of your time, and less than 15 minutes of your adolescents time. Everything you and your adolescent tell us will be completely confidential. The questions ask about things like alcohol and tobacco use, family communication, and family rules. Adolescents don't have to use tobacco and alcohol to be in the study. No physical risks are expected from this study. Your participation is entirely voluntary and either of you can stop at anytime.

Later on we would ask you and your adolescent to complete similar interviews, one about 8 months from now and another in about two years.

There is a 50-50 chance we will also ask you to be in a program to help families prevent adolescent alcohol and tobacco use. If selected we would mail you four booklets you and your family can read at home. After each mailing our health educators would make brief telephone calls to your home to answer any questions you might have. This would cost you nothing and could be beneficial to your family.

Dr. Karl Bauman is the professor responsible for the study. I am going to give you his telephone number in case you want to talk with him. It is 919/966-3900.

Do you have any questions? ANSWER ALL QUESTIONS TO YOUR SATISFACTION AND TO RESPONDENT'S SATISFACTION OR ARRANGE FOR SATISFACTORY ANSWERS TO BE PROVIDED.

Do I have your approval to interview you and (NAME PERSON CIRCLED IN TABLE 1 OF **SCREEN**; IF NAME UNKNOWN SPECIFY AGE AND SEX OF PERSON CIRCLED IN TABLE 1 OF **SCREEN**)?

O NO**:** NEITHER ADOLESCENT NOR PARENT. Could you tell me why you do not want to participate? RECORD REASONS THEN: Your family won't be participating. Thank you very much for the time you did give us. TERMINATE
